RENTAL TERMS

- 1. The instrument you are renting is the sole property of John Keal Music Company. You may not sell it or move it to another state. You must notify the company of any change of address or phone number. An instrument is issued for an initial trial period. This trial rental fee is nonrefundable and cannot be applied toward any purchases. At the end of this period the customer may elect to rent on a monthly basis at the rates indicated on the front of this agreement.
- 2. You will receive a coupon booklet with the monthly payment and due date listed on each coupon or a letter notifying you of the beginning of monthly credit card charges, if you selected that option. All rental payments are due in advance. There are no refunds on rental monies paid. A payment is considered late if not received within 10 days of the due date. A \$5.00 late fee notification charge will be assessed on each late notice mailed. This agreement may be terminated if payments are more than 60 days overdue, at which point the instrument must be returned immediately. If an account is turned over to a collection agency you will be responsible for collection fees for up to 30% of your balance due.
- 3. In the event that the rental payments fall 30 days behind, we reserve the right to charge overdue payments (including late fees) to your credit card using information provided in this agreement or given to us over the phone at any time during your rental.
- 4. The instrument you are renting is not for sale, however all of your rental payments (with the exception of the trial rental fee) may be applied toward the purchase of a new or used instrument of the same type. Title and Right of Possession of the rented instrument shall always remain with the John Keal Music Co., Inc. You may exchange it for another instrument, subject to availability, at any time, as long as your rental payments are current. If you file for bankruptcy, the instrument must be returned or your rental obligation satisfied, as the instrument is the property of John Keal Music Co. Inc.
- 5. For band instruments: when the total of your rental payments is nearing the cost of a new student-level instrument, our office will attempt to contact you to let you know what your purchase options are. You are under no obligation to purchase an instrument and may simply rent until you decide to return. While actual prices of instruments at the time of purchase cannot be anticipated, examples of current instrument prices are listed below.
- 6. The company may repossess an instrument if there is any charge that is 60 days in arrears. Repossession terminates this agreement but does not relieve you of charges incurred before or after repossession (including legal fees).
- 7. The renter retains the right to terminate this agreement at any time by returning the instrument to the company. If returned, all payments made shall be considered rental. You are responsible for an instrument until it is returned to our place of business. Phone John Keal Music Co. to return the instrument.
- 8. The company reserves the right to refuse to rent an instrument based on the results of a credit investigation or a previous rental.
- 9. All repairs must be made by John Keal Music Co. or one of its affiliates. The company does not provide replacement mouthpieces, reeds, swabs, straps, grease, oil, strings, rosin, drum heads, drumsticks, or other expendables. Nor does the company restore appearance or refinish scratches that do not affect the performance of an instrument. The company will pay for all repairs as long as your monthly rental and optional repair/maintenance payments are up to date. If the account falls behind, you will be responsible for the overdue payments and the cost of the repairs. If you opt not to have repair/maintenance protection, you must check the following box and place your initials in the space provided.

 ☐ I do not want to have repair/maintenance protection and understand that I will assume full responsibility for any repairs the instrument may need or the complete replacement cost of the instrument should it be damaged beyond repair. _____ (initials) The company will not cover repairs due to malicious damage.
- 10. The company has the right to pick up the instrument at school at six month intervals to provide adjustments. Permission of the renter is not required for this service.
